IPCARI – Hydraulic Hinge System

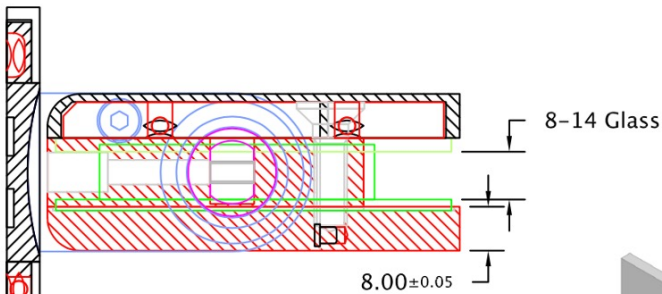

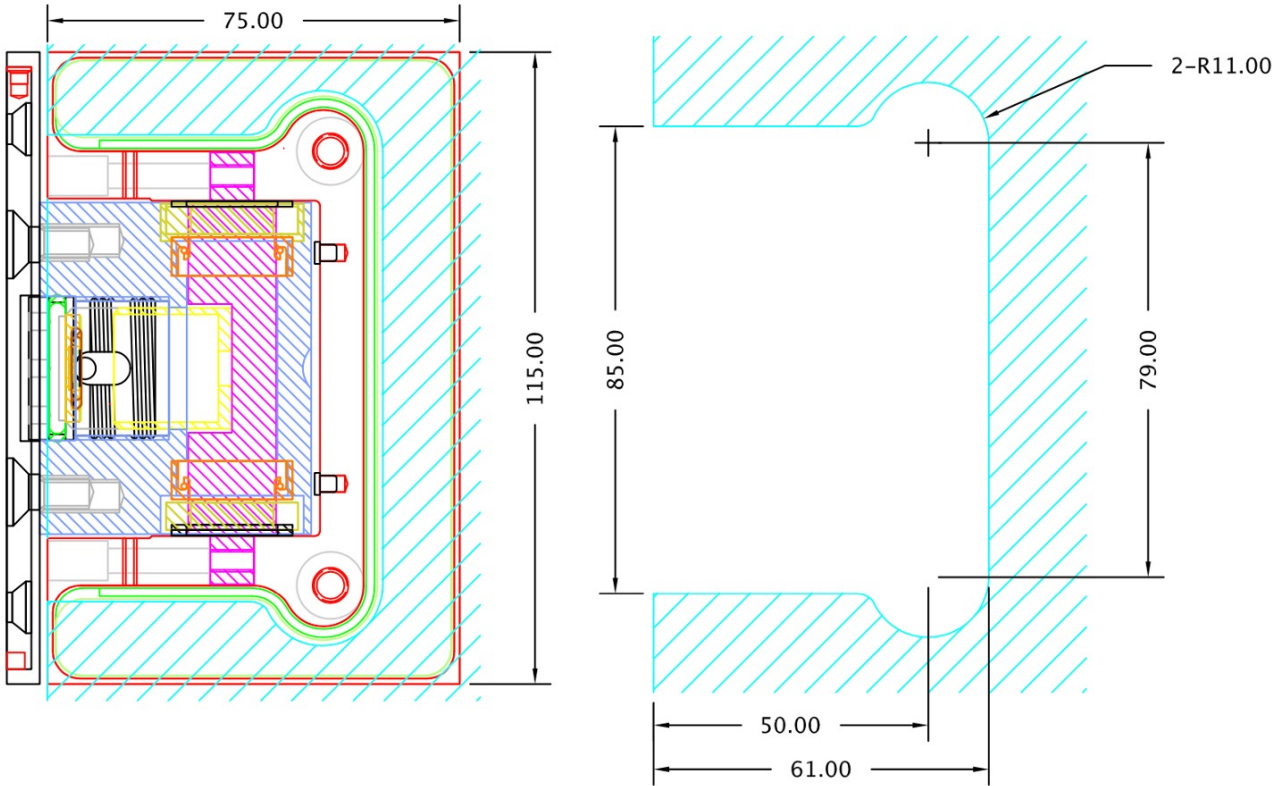

Designed for interior and exterior use, the IPCARI – Hydraulic Hinge System eliminates the need for floor-mounted or over-head closing devices.

The IPCARI Hydraulic Hinge System includes a “top” and “bottom” hinge and is sold as a kit.

- Wall-Mount 90°; and, Glass-to-Glass 180° formats available.
- Hold Open / Non Hold Open formats available.
- Tension & closing speed easily adjusts without the need for glass removal / dis-assembly.
- Standard & custom finishes available.
- Private label branding available.

QUALITY ▫ SERVICE ▫ VALUE = PHOENIX AG+M

Unmarked corner chamfer: R0.2 or 0.2×45°
